

Gardeners' Agreement Aden Bowman Garden Space

Welcome to the Aden Bowman Collegiate and Community Garden partnership. The garden space is located on the corner of Taylor St East and York Ave. **Please read this agreement carefully.**

The community garden resides on Treaty Six territory and is on land owned by the Saskatoon Public School Division. Its operation and insurance are based on an agreement between the SPSD, the City of Saskatoon, CHEP and the Saskatoon Open Door Society. It is important that the garden site is well maintained—we want to be good neighbours.

As a gardener, I will:

- Pay \$10.00 for my garden space. If I am new, I will pay \$20.00 for my space this year and \$10.00 every year after that.

- Help with workdays and clean up the garden area.

- Not use any chemical fertilizers or pesticides.

- Only pick from my garden plot.

- Shut off the water when I am done with it. Since our water comes from a barrel, conservation is key!

- Keep my plot weeded.

- Look after my children when I am in the garden.

- Return tools to the tool box and make sure it is locked.

- In the fall I agree to compost all the vines and plants I don't eat. I will dig a trench (long hole) in my garden bed and put the vines and plants in it, and then cover it with dirt. I will not expect other people to take care of my garden waste.

If I cannot continue gardening, I will tell someone on the gardening committee. If I am not taking care of my plot, or have abandoned it, someone will contact me. If they cannot get in touch with me within one week, my plot may be given away to someone else.

I understand that neither the garden group, nor the owners of the land are responsible for my actions.

Therefore I HOLD HARMLESS the garden group and the owners of the land for any liability, damage, loss or claim that occurs in connections with the use of the garden by me or any of my guests.

To apply for a garden space, please fill out the GARDEN APPLICATION FORM and return to

You can also drop off your application form at
